PERFORMANCE ANCHOR TROLLEY KIT

Injection Molded Nylon/Stainless Steel/Polyester

Bulk	Display	Description	Fasteners Included	Wt.(lb.)	Std. Pack
n/a	318110-9	Performance Anchor Trolley Kit	Yes	.80	5 kits

Our Performance Anchor Trolley Kit is an essential tool for the Pro Angler. It features a zig cleat for easy, one-handed adjustability. The durable, one-piece cheek blocks operate silently so you won't scare fish in the water below. When the need arises to wade through the water, easily unclip the custom designed ring and use the system as a leash. Kit includes: 30' of 3/16" polypro deck line (1), zig cleat (1), ring clip (1), cheek blocks (2), nylon pad eyes (6), 10-32 X 3/4" PH machine screws (10), 10-32 Nyloc nuts (10), #10 flat washers (10), and well nuts (10). Proudly constructed in the USA of injection molded nylon, stainless steel, and polyester.

TRIPLE THREAT™ ROD HOLDER - SURFACE MOUNT

Injection Molded Glass Filled Nylon

Bulk	Display	Base	Fastener	Wt.(lb.)	Std. Pack
n/a	325412-1	Surface Mount	1/4" FH	1.08	5 ea
n/a	325430-1	Track Mount Base Only		.10	10 ea
n/a	325472-1	Surface Mount Base Only		.10	10 ea

The Triple Threat™ Rod Holder is your one stop for all your reel styles. Spin, bait cast, or fly reel; this rod holder can handle it all! The quarter turn knob allows for easy adjusting of the angle of the rod with a quick twist. The rear bail facilitates vertical storage of rods while moving from one location to another. Attachment points on the base give you a solid clip point for leashing your rod and reel while paddling in rough conditions. Proudly constructed in the USA of injection molded glass filled nylon.
